PROJECTS

Portfolio :- The Archives
- This portfolio is a curated collection of my most significant work and projects, showcasing my skills, creativity, and expertise in "full-stack development".
- It serves as a testament to my dedication to quality and innovation, offering tangible evidence of my ability to develop user-friendly web applications" and "create visually compelling designs.
- I invite you to explore my portfolio to gain deeper insights into my capabilities and the mini catalogs.

Weather Zone
- Designed and built a weather viewer application that retrieves real-time weather data from the Open Weather Map API.
- Demonstrated proficiency in working with APIs to fetch and display dynamic information.

The Ping Pong Game
- Embarked on the creation of a Ping Pong game as a self-initiated project to advance my proficiency in web development using HTML, CSS, and JavaScript.
- Engaging user experiences through responsive design and intuitive gameplay.

Student Management System(SMS)
- Proficient in designing and implementing Student Management Systems, leveraging my strong technical skills.
- Facilitated access to Leetcode, GitHub, and Stack Overflow platform to proactively address and resolve technical queries.

EDUCATION

B.Tech.-:-

Uttarakhand Technical University(UTU)

📅 2020-2024

Intermediate -:-

School Of Creative Learning, Danapur

📅 2018-2020

High School -:-

ST. Paul's School, Sasaram

📅 2018

SKILLS

- **Programming Languages:** C, C++,Java, JavaScript, SQL
- **Technologies and Frameworks:** React , HTML,CSS, Angular.js, GitHub, Node.js
- **Computer Fundamentals:** Data Structures and Algorithms, OOPs, OS, DBMS

Soft Skills: Problem-solving, Time management, Critical thinking, Communication, Team-work, Adaptability

ACHIEVEMENTS

- **Hacker Rank** :- Problem Solving (Basic && Intermediate)
- **NPTEL Online**(DSA Using Java) [**IIT Kharagpur]** :- Elite Top 5% All Over India [85%]

CERTIFICATIONS

- **Programming for Everybody (Getting Started with Python)** :-University of Michigan, Coursera
- **Introduction To Web Development** :- IBM, Coursera
- **Spoken Tutorial (IIT Bombay):-** C, HTML, Python, C++
- **Web Development Basics :-** IBM, SkillsBuild
- **SmartBrains, Skill India(NSDC):-** Java Programming
- **Java Full Stack Masterclass:-** IETE (Pantech e Learning)
- **Project Management Workshop:-** Cloud Counselage
- **Full Stack Development :-** Internshala
